

# 40 Years of Change: A Message from Steve Fast

CSDSIP Insight Newsletter | January 2023

Greetings Members,

Wishing you and your loved ones a happy new year. At CSDSIP, January is a time of reflection. Accounts are examined, rates are reconsidered, and we again ask ourselves how we can continue to provide the best service possible. As we prepare for renewal season, we are hard at work to gather the best quotes for you. Each year provides new triumphs and challenges, and during this time we do our best to anticipate the coverage and service you may need. While we cannot predict exactly what this year will hold, we can assure you that our staff and resources stand ready to serve you.

As we look forward into 2023 and beyond, I reflect on CSDSIP's past 42 years. We have experienced a variety of business cycles, inflation, investment market fluctuations, catastrophic weather events, turbulent liability events and a pandemic. Through it all we have remained committed to Colorado public schools and resolve to continue to provide meaningful coverage and risk management programs for you. Thank you for choosing Colorado School Districts Self Insurance Pool for your needs. We are happy to serve you.

Stay Warm,

**Steve Fast**
