Resources for the 2025 Pollution Questions You May Have Answered No To

When you look at our 2025-2026 Supplementary Coverage – Pollution Application, there’s a couple of questions that ask if you have plan in place. If you answer “no” to any of these questions, you might be wondering what a sample plan might look like. This document provides you some resources to help you create your own plan.

Question No. 13 – Do you have a formal legionella inspection/testing procedure in place?

If you answered no, here’s some helpful resources:

- Centers for Disease Control and Prevention (CDC) has a webpage devoted to Legionella – <https://www.cdc.gov/legionella/>
- CDC’s Legionella Environmental Assessment Form – <https://www.cdc.gov/investigate-legionella/Legionella-Environmental-Assessment-Form.pdf>
- Your local water treatment plant might already have this in place so you may want to reach out to them
